

MD Seen

Authored by Oklahoma Clinical Informatics

Overview: This template will describe how to complete MD Seen. The time documented in “MD Seen” will establish the door to Doc time.

MD Seen

Step	Description	Visual Aid
1.	Navigate to the Provider notification column on the patient you attend to start your assessment and evaluation on and select the Provider notification. NOTE: The  icon lets you know the MD Seen needs to be completed.	
2.	Click the blue Document	
3.	Document your date and time. Then select the teal check mark to sign the MD seen. NOTE: If you select ‘T’ in the date field it will pull in today’s date. If you select ‘N’ in the time field it will put the current time.
